THE HERALD.

SPENCER COOPER, : : : Editor.

DEMOCRATIC TICKET.

For Representative—9th District,
JUDGE H. F. PIERATT.

HON. N. B. HAYS, who is a candidate for the nomination for attorney general before the primary next month, was a poor boy and had a hard struggle to secure an education. Once, while he was going to state college and working to pay his way, being at home on a visit, a young man who lived in the same town and who was quite wealthy, thinking to belittle young Hays in the eyes of a crowd of young men of their mutual acquaintance, with a self-satisfied, "I-am-the-whole-thing" sort of an air put the question:

"Napoleon, if you do succeed in getting an education what do you hope to make of yourself?"

Deliberating a moment, young Hays replied: "Well, if I succeed to my own satisfaction, I hope to be a minister of the gospel; if I succeed in attaining only a secondary success, I shall embrace the law as a profession. But if, after all, I turn out a damn fool I shall be a doctor."

As the rich young buck was then a student in a medical college, the withering sarcasm of the reply is readily recognized. Suffice that he was never again quizzed in public, and did attain to second place in his ambition, he being now a lawyer of prominence. The Tenth district will give him a solid vote.

Loss of Vitality

Is loss of the principle of life, and is early indicated by failing appetite and diminishing strength and endurance. Hood's Sarsaparilla is the greatest vitality—it acts on all the organs and builds up the whole system.

RECENT ISSUES OF THE HERALD have doubtless convinced our readers that our choice for commissioner of agriculture is Hon. T. T. Hedger, of Scott county, who is a practical farmer. We have arrived at this conclusion after diligent inquiry with regard to Mr. Hedger's qualifications, his social status and his political position, and we think it safe to predict that no man who a month from today gives to Mr. Hedger his support in the primary will ever have cause to regret his action. He is sober, honest, a good citizen, in all the term implies, and a dyed-in-the-wool Democrat. But what is of paramount interest to all these good traits is the fact that being a farmer himself he will have the interests of the farmer more nearly at heart than would any other man seeking the place. "Birds of a feather," you know, "flock together." By reason of certain things Mr. Hedger is especially strong in the Tenth district.

One month from today, May 9, 1903, you will be called upon to register your choice for the nomination for lieutenant governor on the Democratic ticket, and if our advice after due inquiry about the aspirant is of any assistance to you, we should recommend Hon. Abram Renick, of Clark county. He is a young man of unblemished character, a farmer by profession, and during the two last sessions of the legislature won meritorious mention as a zealous and painstaking member of that august assembly. His acknowledged ability in that body prompted his friends to appeal to his ambition and ask him to make the race for lieutenant governor, a position which those who know him best say he would fill to the satisfaction of himself and all who support him with their suffrage, as well as to the dignity of this grand old state. Remember, he belongs to the Tenth district.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers; they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp Root. Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y., on every bottle.

OIL IN WOLFE COUNTY.

First Well Brought In Sends Oil Through Town of Campton.

Last Friday morning the people's eyes of Campton were opened up to a sight never before witnessed here, and a sight hitherto undreamed of. It was oil noiselessly floating on the waters of Swift's Camp creek, that flows through this town. Oil was brought in, Friday from the well on St. Cabell's farm, being drilled by T. M. Beckett, and being the first well drilled in the county. The strike was made yesterday about noon at a depth of from 1,300 to 1,400 feet. It was the intention of Mr. Beckett to keep it a secret for a while after oil was found, but it spurted out in such a way as to give the whole thing away to the visiting spectators who chanced to be around at the critical period. Doubtless the find was made sooner than was expected, as it was generally thought 2,000 feet would have to be drilled before the oil formation could be reached. This well is not completed yet as the thickness of the oil sand has not been penetrated. All oil men who have visited this place have been impressed with the surrounding country as good oil territory, and it is now thought drilling will be commenced in earnest. Excitement is high and all are putting on plutocratic smiles.

Due Notice Is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures.

COUNTY NEWS NOTES

LANDSAW LACONICS.

Mrs. Kitty Swango recently removed from Trace fork of Stillwater to Landsaw.

Miss Milly Rose and John Drake were the pleasant guests of Misses Emma and Dora Cardwell Tuesday.

J. G. Combs, of Jackson, paid a flying visit to Landsaw on Wednesday last, to sell some land on Devils Creek.

Black measles seem to be the favorite sickness in this neck of woods, and quite a number of our worthy people are victims of the malady.

W. M. Combs, of Jackson, transferred a valuable and favorite mare, of a stock he has ridden for 30 years, to his daughter, Mrs. C. O. Cardwell, of Landsaw, for \$150.

The residence of Mr. and Mrs. Frank Murphy is undergoing a job of clean and neat painting, the body being an apple green and the trimming a dark mountain green. It is a novelty in this neck of the woods and a monument to the mechanical art of your master painter, Sam Wilson.

A telegram from Fort Leavenworth, Kansas, brings the news that a son of Hon. C. O. Cardwell, who was a student of Hazel Green Academy last year, and is now in the U. S. army, is very low with typhoid fever, is unconscious and not expected to live. Judge Cardwell left Sunday to attend the bedside of his son, whose name is Isaac, and we hope he will find him in an improved condition.
